

Pre-Engineering

Note: This fact sheet does not include the program specific curriculum. To access the curriculum from the program's webpage, click one of the links below the section titled "Degrees Offered."

The Pre-Engineering Associate's Degree is designed for students who want to pursue careers in Electrical, Chemical, Mechanical, or Civil Engineering. This degree provides a solid foundation in chemistry, mathematics, and physics that will prepare students to transfer into four-year engineering programs.

DEGREES OFFERED

- Associate of Science in Pre-Engineering

PROGRAM INFORMATION

All pre-engineering courses are taught in a small class environment by Newman's excellent faculty in science and mathematics.

Accreditation

All pre-engineering courses are accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

PROMINENT CAREERS

Aerospace Engineering
Electrical Engineering
Mechanical Engineering
Chemical Engineering
Civil Engineering
Aircraft Engineering

EXPERT, ACCESSIBLE FACULTY

The Pre-Engineering program consists of a group of carefully selected scholarly and professional practitioners who creatively introduce students to emerging theory and current best practices.

Newman Graduates regularly cite close collaboration with talented, dedicated faculty as one of their most meaningful experiences at Newman.

Newman faculty members are more than just leaders in their field. They take an active and personal role in students' studies and progress, forming strong relationships with students through coursework, special projects and informal out of class discussions.

ACCREDITATION

Newman University is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools,
www.ncahigherlearningcommission.org.

FINANCIAL AID

With many scholarships, grants, work-study and company tuition assistance programs available, the cost of a degree from Newman University is comparable to that of state universities.

PROGRAM CONTACT
